

WE ARE AMA

The flavorful Latasian food matches perfectly with fresh and fruity cocktails!

The Nikkei bar focuses around the traditional Japanese Sake & Peru's national drink Pisco. Expect playfulness, unexpected combinations and beautiful tastes of the two cultures combined. The cocktails are inspired by the flavours from the kitchen such as traditional herbs, ginger, chili and exotic fruits. Enjoy!

THE FOOD

We would like to take you for a rare gastronomical ride! Indulge in the fresh flavours of Japan and some spice from Peru, that beautifully work together to create vibrant and amazingly tasty dishes. AMA's kitchen offers sharing menus with fresh fish and seafood from the Raw Bar combined with ingredients such as lime, corn and aji peppers. And there's plenty more with a variety of grilled prime beef, vegetables and potato dishes bursting with flavour! When you visit us, you must make sure to try our signature Ceviches, the Tiradito Sashimi Platter and our grilled Anticucho Skewers - all best enjoyed with a Pisco Sour!
